# ENGINE

## ENGINE PROTECTANT WITH PTFE

PT#17010QT RLO#1086091 UNIT 32 oz. CASE SIZE 12/cs PALLET UNITS 1008

- Fortified with PTFE for friction reduction
- Formulated for use in GDI, MPFI, Hybrid and Diesel engines
- Improves oil performance
- Reduces wear and improves fuel economy
- Provides high temperature protection
- Use with every oil change

RED LINE® ENGINE PROTECTANT WITH PTFE helps protect against and reduce the long-term damaging effects that can be caused by metal to metal friction. Use 1 quart of RED LINE ENGINE PROTECTANT WITH PTFE per 4-6 quart oil change.

Red Line Service Chemical Limited Lifetime Warranty Program coverage (if used every 10,000 miles)\*

## COMPLETE OIL SYSTEM CLEANER

PT#17011 RLO#1085858 UNIT 1 Gal. CASE SIZE 4/cs PALLET UNITS 240

- One of the best and most effective ways to clean lubricated engine surfaces
- Formulated for use in GDI, MPFI, Hybrid and Diesel engines
- Removes harmful contaminants such as sludge, gum, varnish, and other contaminants
- Helps restore optimal engine performance
- Prepares engine for new motor oil
- Not recommended for first-time use in vehicles with an odometer reading exceeding 100,000 miles

RED LINE® COMPLETE OIL SYSTEM CLEANER safely removes harmful contaminants such as sludge, gum, varnish, and other contaminants from engines and oil systems. It helps free sticky valves and rings and helps restore optimal engine performance, especially in GDI engines.

It is one of the best and most effective ways to clean lubricated engine surfaces. It is safe for use in all gasoline and diesel engines, prepares engines for new motor oil and will not alter or effect manufacturer's limited warranties.

Red Line Service Chemical Limited Lifetime Warranty Program coverage (if used every 30,000 miles)\*

## OIL SYSTEM CLEANER

PT#17013 RLO#1085859 UNIT 16 oz. CASE SIZE 12/cs PALLET UNITS 1680

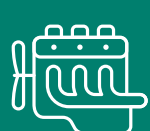

- Quick and effective way to clean lubricated engine surfaces
- Formulated for use in GDI, MPFI and Hybrid engines
- Removes harmful contaminants such as sludge, gum, varnish, and other contaminants
- Helps restore engine performance
- Prepares engine for new motor oil
- Does not affect manufactures' limited warranties
- Not recommended for first-time use in vehicles with an odometer reading exceeding 100,000 miles

RED LINE® OIL SYSTEM CLEANER safely removes harmful contaminants such as sludge, gum, varnish, and other contaminants from engines and oil systems. It helps free sticky valves and rings and helps restore engine performance. Unlike other oil system cleaners, RED LINE OIL SYSTEM CLEANER contains NO HARSH SOLVENTS that could effect engine performance.

It is safe for use in all gasoline engines, prepares engines for new motor oil and will not alter or effect manufacturer's limited warranties. Use 1 bottle of RED LINE OIL SYSTEM CLEANER per 4-6 quart oil change.

Red Line Service Chemical Limited Lifetime Warranty Program coverage (if used every 15,000 miles)\*

# ENGINE

## ***PROFESSIONAL-SERIES***

### **HIGH MILEAGE OIL SUPPLEMENT**

PT#17018

RLO#1086081

UNIT 11 oz.

CASE SIZE 12/cs

PALLET UNITS 2268

- Specifically designed for engines with over 75,000 miles
- Formulated for use in GDI, MPFI and Hybrid engines
- Specially Formulated to Reduce Friction and Wear
- Reduces Oil Consumption
- Conditions engine seals and gaskets
- Compatible with all Motor Oils
- Eliminates the need to stock high mileage oils and in multiple viscosities

RED LINE® HIGH MILEAGE OIL SUPPLEMENT enhances conventional, synthetic blend and full synthetic motor oil to perform as high mileage engine oil, by providing the necessary additives critical to a higher mileage engines with over 75,000 miles, helping to extend engine service life while maintaining engine durability. Red Line Professional Series High Mileage Oil Supplement helps restore performance and provides additional protection for higher mileage engines above and beyond motor oil alone.

RED LINE HIGH MILEAGE OIL SUPPLEMENT will effectively treat up to 5 quarts of oil. For larger capacity crankcase, use a second bottle as needed. For continued benefit, use with each oil change.

Red Line Service Chemical Limited Lifetime Warranty Program coverage (if used every 5,000 miles)\*  
Red Line Service Chemical Pre-Owned Vehicle Protection Program coverage\*\*

# FUEL SYSTEM

## FUEL SYSTEM CLEANER

PT#17006 RLO#1086082 UNIT 12 oz. CASE SIZE 12/cs PALLET UNITS 1500

- Completely and effectively cleans the entire fuel system
- Safe for use in all gasoline engines, including GDI, MPFI and Hybrid
- Rapidly cleans and effectively removes gum, varnish and other harmful deposits
- Restores power and helps improve fuel economy
- Helps smooth rough idling and reduce harmful emissions

RED LINE® FUEL SYSTEM CLEANER completely and effectively keeps the entire fuel system clean. RED LINE FUEL SYSTEM CLEANER rapidly cleans and effectively removes gum, varnish and other harmful deposits from fuel injectors, carburetors, intake valves, fuel pumps and lines.

RED LINE FUEL SYSTEM CLEANER helps restore power and helps improve fuel economy, rough idling and helps reduce harmful emissions in one easy to use formula. RED LINE FUEL SYSTEM CLEANER provides cleaning and protection of automotive fuel systems. This product is safe for use with all gasoline engines and will not harm catalytic converters or oxygen sensors.

Red Line Service Chemical Limited Lifetime Warranty Program coverage (if used every 5,000 miles)\*

**WARNING.** This product can expose you to chemicals including Benzene (CASRN 71-43-2) which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

## TOTAL INTAKE SYSTEM CLEANER

PT#17020 RLO#1085824 UNIT 12 oz. CASE SIZE 12/cs PALLET UNITS 1512

- Safe for use in gasoline and diesel engines, including GDI, MPFI and Hybrid
- Removes Carbon Deposits
- 2 Applicator hoses and 1 hood hanger included in case
- Cleans Intake Valve Seats and Compression Chamber
- Oxygen Sensor, EGR Valve and Catalytic Converter Safe
- Safe For intake Coated Surfaces
- Restores Power and Performance

SCAN FOR INSTALLATION INSTRUCTIONS

RED LINE® TOTAL INTAKE SYSTEM CLEANER, when used as directed, provides complete intake cleaning by safely and effectively removing carbon build-up, cleaning the vehicle's upper engine and intake systems from the plenum to the catalytic converter.

It helps eliminate rough engine idle, knocking, pinging and engine run-on, while reducing emissions and restoring power and performance. RECOMMENDED FOR PFI, GDI, HYBRID AND DIESEL ENGINES.

**WARNING.** This product can expose you to chemicals including 1-Methyl-2-pyrrolidone (CASRN 872-50-4) which is known to the State of California to cause birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

## THROTTLE PLATE/AIR INTAKE CLEANER

PT#17026 RLO#1085909 UNIT 4.5 oz. CASE SIZE 12/cs PALLET UNITS 2232

- Cleans and Protects Throttle Bodies, Throttle Plate and Throttle Valve, Idle Air Control Valves
- Dissolves Grease, Oil, Gum, Varnish and Carbon
- Oxygen Sensor, EGR Valve and Catalytic Converter Safe
- Safe For intake Coated Surfaces
- 360° angle spray valve

RED LINE® THROTTLE PLATE / AIR INTAKE / CARB & CHOKE CLEANER is a unique three in one cleaner that is safe for use on all Air Intake and Carburetor components. This product is especially formulated to clean and completely flush out and remove any dirt, carbon, gum or varnish that could restrict or interfere with the precise operation of the Air Intake System.

This Product Is Oxygen Sensor, Catalytic Converter, EGR Valve and Teflon® Coated Surface Safe!

**WARNING.** This product can expose you to chemicals including Naphthalene (CASRN 91-20-3) which is known to the State of California to cause cancer, and Ethylene glycol (CASRN 107-21-1) which is known to the State of California to cause birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

# FUEL SYSTEM

## 2-STEP FUEL SERVICE KIT

PT#17025K RLO#1085860 UNIT 12oz/12oz. CASE SIZE 6/cs PALLET UNITS 360

- Safe for use in all gasoline engines, including GDI, MPFI and Hybrid
- Removes Carbon Deposits
- Restores Power and Performance
- Cleans Intake Valve Seats and Compression Chamber
- Oxygen Sensor, EGR Valve and Catalytic Converter Safe
- Safe For Intake Coated Surfaces

### STEP 1 RED LINE® TOTAL INTAKE SYSTEM CLEANER (PT#17020) ⚠

RED LINE TOTAL INTAKE SYSTEM CLEANER when used as per directions: Provides complete cleaning by safely and effectively removing carbon build-up, cleaning vehicle's upper engine and intake systems from the plenum to the catalytic converter. It helps eliminate rough idling, knocking, pinging and engine run-on, while reducing emissions and improving power and performance in gas or diesel engines in one formulation and is recommended for GDI and PFI applications. It's HYDRO-LOCK application process eliminates hydrostatic engine lock-GUARANTEED!

### STEP 2 RED LINE® FUEL SYSTEM CLEANER (PT#17006) ⚠

Cleans the complete fuel system  
Helps smooth rough idling & promotes lower emissions  
Suitable for use in PFI & GDI engines

Red Line Service Chemical Limited Lifetime Warranty Program coverage (if used every 15,000 miles)\*

- ⚠ **WARNING.** This product can expose you to chemicals including 1-Methyl-2-pyrrolidone (CASRN 872-50-4) which is known to the State of California to cause birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).
- ⚠ **WARNING.** This product can expose you to chemicals including Benzene (CASRN 71-43-2) which is known to the state of California to cause cancer and birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

## 2-STEP INDUCTION SERVICE KIT

PT#17027K RLO#1086092 UNIT 12oz/11oz. CASE SIZE 6/cs PALLET UNITS 360

Use Only With Induction Fuel System Cleaner Application Tool

- Safe for use in all gasoline and diesel engines, including GDI, MPFI and Hybrid
- Removes Carbon Deposits
- Restores Power and Performance
- Cleans Intake Valve Seats and Compression Chamber
- Oxygen Sensor, EGR Valve and Catalytic Converter Safe
- Safe For Intake Coated Surfaces

### STEP 1 RED LINE® INDUCTION FUEL SYSTEM CLEANER (PT#17028) ⚠

Removes carbon deposits  
Cleans intake valves & combustion chambers  
Suitable for use in PFI & GDI engines

### STEP 2 RED LINE® FUEL SYSTEM CLEANER (PT#17006) ⚠

Cleans the complete fuel system  
Helps smooth rough idling & promotes lower emissions  
Suitable for use in PFI & GDI engines

Red Line Service Chemical Limited Lifetime Warranty Program coverage (if used every 15,000 miles)\* **PAGE 21**

- ⚠ **WARNING.** This product can expose you to chemicals including Benzene (CASRN 71-43-2) which is known to the state of California to cause cancer and birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

## INDUCTION FUEL SYSTEM CLEANER

PT#17028 RLO#1085917 UNIT 11 oz. CASE SIZE 12/cs PALLET UNITS 1500

- Safe for use in all gasoline and diesel engines, including GDI, MPFI and Hybrid
- Removes Carbon Deposits
- Restores Power and Performance
- Cleans Intake Valve Seats and Compression Chamber
- Oxygen Sensor, EGR Valve and Catalytic Converter Safe
- Safe For Intake Coated Surfaces

RED LINE® INDUCTION FUEL SYSTEM CLEANER  
To be used with the Induction Fuel System Cleaner Application Tool.

- ⚠ **WARNING.** This product can expose you to chemicals including Benzene (CASRN 71-43-2) which is known to the state of California to cause cancer and birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

# FUEL SYSTEM DIESEL

## DIESEL FUEL TREATMENT

PT#17008

RLO#1086096

UNIT 12 oz.

CASE SIZE 12/cs

PALLET UNITS 1500

- Improves performance
- Helps smooth rough idling and reduce harmful emissions
- Combines cetane improver and anti-gel
- Lubricates all fuel related components

- Helps reduce rust and corrosion in fuel system
- Treats up to 37 gallons of fuel
- Converts standard diesel to premium (as per NCWM standards)

RED LINE® DIESEL FUEL TREATMENT provides unsurpassed lubricity and fuel economy while improving total performance and decreasing emissions. Red Line Diesel Fuel Treatment combines the advanced technology of both Cetane Improver and Anti-Gel to ensure optimum performance in all climates and conditions.

It converts standard diesel fuel to premium diesel fuel as defined by the National Conference on Weights and Measures (NCWM) and the Engine Manufacturers Association (EMA).

Red Line Service Chemical Limited Lifetime Warranty Program coverage (if used every 15,000 miles)\*

## 2-STEP DIESEL FUEL SYSTEM SERVICE KIT

PT#17030K

RLO#1085890

UNIT 12oz/12oz.

CASE SIZE 6/cs

PALLET UNITS 360

- Removes Carbon Deposits
- Restores Power and Performance
- Cleans Intake Valve Seats and Compression Chamber

- Oxygen Sensor, EGR Valve and Catalytic Converter Safe
- Safe For intake Coated Surfaces

### STEP 1 RED LINE® TOTAL INTAKE SYSTEM CLEANER (PT#17020) ⚠

RED LINE TOTAL INTAKE SYSTEM CLEANER when used as per directions: Provides complete cleaning by safely and effectively removing carbon build-up, cleaning vehicle's upper engine and intake systems from the plenum to the catalytic converter.

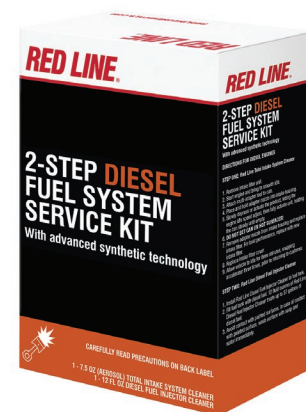

It helps eliminate rough idling, knocking, pinging and engine run-on, while reducing emissions and improving power and performance in gas or diesel engines in one formulation and is recommended for GDI and PFI applications. It's HYDRO-LOCK application process eliminates hydrostatic engine lock-GUARANTEED!

### STEP 2 RED LINE® DIESEL FUEL TREATMENT (PT#17008) ⚠

RED LINE DIESEL FUEL TREATMENT provides unsurpassed lubricity and fuel economy while improving total performance and decreasing emissions. Red Line Diesel Fuel Treatment combines the advanced technology of both Cetane Improver and Anti-Gel to ensure optimum performance in all climates and conditions.

It converts standard diesel fuel to premium diesel fuel as defined by the National Conference on Weights and Measures (NCWM) and the Engine Manufacturers Association (EMA).

Red Line Service Chemical Limited Lifetime Warranty Program coverage (if used every 30,000 miles)\*

**⚠ WARNING:** This product can expose you to chemicals including 1-Methyl-2-pyrrolidone (CASRN 872-50-4) which is known to the State of California to cause birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

# TRANSMISSION

## TRANSMISSION COOLER CLEANER

PT#2001	RLO#1085902	UNIT 15 oz.	CASE SIZE 12/cs	PALLET UNITS 1296
---------	-------------	-------------	-----------------	-------------------

- Removes Harmful Deposits and Wear Metals
- Eliminates Contamination (metal shavings & sludge)
- Eliminates New Automatic Transmission Fluid Contamination
- Ensures Proper Automatic Transmission Fluid Flow
- Comes With 5/16 Fitting

RED LINE® TRANSMISSION COOLER CLEANER is specifically formulated to prevent automatic transmission cooler contamination (metal shavings, sludge, etc.) by propelling a biodegradable cleaning agent through the transmission cooler and lines. It is conveniently packaged in an easy to use aerosol can. For best results BACK FLUSH. Connect TRANS FLUSH to cooler return line and flush contaminants out the way they flowed in.

## PROFESSIONAL-SERIES

## FULL SYNTHETIC MULTI-VEHICLE CONTINUOUSLY VARIABLE TRANSMISSION FLUID

PT#3100	RLO#1085823	UNIT 32 oz.	CASE SIZE 12/cs	PALLET UNITS 1008
PT#3300	RLO#1085778	UNIT 1 Gal.	CASE SIZE 3/cs	PALLET UNITS 240

- Meets performance requirements for nearly all vehicles with belt-type continuously variable transmissions
- Chain driven CVT & Step type transmissions
- High steel-on-steel friction to prevent belt slippage
- Low steel-on-paper friction to prevent torque converter clutch slippage
- Excellent oxidation resistance and thermal stability for long fluid life
- Protects against sludge and varnish formation
- Protects against wear, rust, and corrosion
- Excellent low-temperature properties for easier shifting in cold weather
- Good seal compatibility & good foam resistance

Specifically designed and formulated to meet performance requirements and specifications of most continuously variable transmissions.

RED LINE® MULTI-VEHICLE CVT FLUID is specifically designed and formulated to meet performance requirements and specifications of Continuously Variable Transmissions (CVT).

Suitable for use in ALL CVT applications (When Used In Honda Applications 20,000 Mile Service Intervals are Recommended.)

Optimized for excellent metal-metal friction performance

Provides advanced wear protection, anti-shudder performance and oxidation stability

Excellent low temperature fluidity for proper operation in cold weather conditions

Protects against sludge and varnish build up

Helps ensure proper performance and operation of CVT

Red Line Service Chemical Limited Lifetime Warranty Program coverage (if used every 30,000 miles)\*

# TRANSMISSION

## SHUDDER ELIMINATOR

PT#3800

RLO#1086086

UNIT 2 oz. Pillow Pack

CASE SIZE 24/cs

PALLET UNITS 5184

- Instantly eliminates torque convertor shutter
- Restores key friction modifiers lost due to heat and excessive mileage

RED LINE® SHUDDER ELIMINATOR is a highly concentrated synthetic friction modifier specifically designed to stop torque converter shudder instantly. RED LINE SHUDDER ELIMINATOR blends with all conventional & synthetic ATFs.

Instantly Eliminates Torque Converter Shudder & Restores Key Friction Modifiers.

## SYNTHETIC ATF SUPPLEMENT

PT#4001

RLO#1085883

UNIT 10 oz.

CASE SIZE 12/cs

PALLET UNITS 2436

- 4x Less Wear Than Regular ATF
- Prevents and Instantly Eliminates Torque Converter Lock Up Shudder
- Prevents Overheating and Oxidation
- Protects and Coats Gears and Pumps
- Enhances shift quality and durability
- Prevents Clutch Chatter
- Compatible with All Trans Fluids

RED LINE® SYNTHETIC ATF SUPPLEMENT is a uniquely blended synthetic product specifically formulated for use in automatic transmissions. RED LINE SYNTHETIC ATF SUPPLEMENT incorporates a high-quality synthetic base stock with SE (synthetic esters) which reduces heat, wear, and extends transmission fluid life. RED LINE SYNTHETIC ATF SUPPLEMENT also incorporates friction modifiers, and boundary lubricants to optimize transmission performance while lowering operating temperatures. Blends with all domestic and worldwide OEM automatic transmission fluids.

Red Line Service Chemical Pre-Owned Vehicle Protection Program coverage\*\*

## SYNTHETIC ATF CLEANER

PT#4200

RLO#1085891

UNIT 10 oz.

CASE SIZE 12/cs

PALLET UNITS 2436

- Safely Removes Light Varnish and Other Deposits
- Cleans All Internal Transmission Components
- Contains No Alcohol or Damaging Chemicals
- For Use With or Without Flushing Equipment

RED LINE® SYNTHETIC ATF SUPPLEMENT is a uniquely blended synthetic product specifically formulated for use in automatic transmissions. RED LINE SYNTHETIC ATF SUPPLEMENT incorporates a high-quality synthetic base stock with SE (synthetic esters) which reduces heat, wear, and extends transmission fluid life. RED LINE SYNTHETIC ATF SUPPLEMENT also incorporates friction modifiers, and boundary lubricants to optimize transmission performance while lowering operating temperatures. Blends with all domestic and worldwide OEM automatic transmission fluids.

### RED LINE SYNTHETIC AUTOMATIC TRANSMISSION CLEANER BENEFITS:

Safely Removes Light Varnish and Other Deposits

Prepares Transmission for New Fluid

Cleans All Internal Transmission Components

Contains No Alcohol or Damaging Chemicals

RED LINE SYNTHETIC AUTOMATIC TRANSMISSION CLEANER utilizes molecular technology that works in conjunction with ATF naturally when clearing automatic transmissions. Our unique cleaning agents contain no harmful solvents and release light varnish and other deposits from internal transmission parts.

# TRANSMISSION

## 2-STEP TRANSMISSION SERVICE KIT

PT#4300S RLO#1086051 UNIT 10oz/10oz CASE SIZE 6 kits/cs PALLET UNITS 1080

- Kit contains 4200 Synthetic Automatic Transmission Cleaner & 4001 Synthetic ATF Supplement
- Synthetic Automatic Transmission Flush releases deposits, corrosion, and varnish
- Synthetic Automatic Transmission Fluid Protectant reduces heat and wear improving fluid stability

RED LINE® SYNTHETIC AUTOMATIC TRANSMISSION CLEANER (PT#4200) is a uniquely blended synthetic oil base transmission flush for use with automatic transmission fluid. When RED LINE SYNTHETIC AUTOMATIC TRANSMISSION CLEANER is introduced into the transmission it safely cleans light varnish and other deposits from the transmission's internal parts (metal & electronic) safely, preparing it for new transmission fluid.

MOLECU-TECH is a new technology that utilizes natural ingredients to release varnish and other deposits from internal metal parts. Once released they are easily flushed away.

RED LINE SYNTHETIC ATF SUPPLEMENT (PT#4001) is a uniquely blended synthetic product specifically formulated for use in automatic transmissions. RED LINE SYNTHETIC ATF SUPPLEMENT incorporates a high-quality synthetic base stock with SE (synthetic esters) which reduces heat, wear, and extends transmission fluid life. RED LINE SYNTHETIC ATF SUPPLEMENT also incorporates friction modifiers, and boundary lubricants to optimize transmission performance while lowering operating temperatures. Blends with all domestic and worldwide OEM automatic transmission fluids.

Red Line Service Chemical Limited Lifetime Warranty Program coverage (if used every 30,000 miles)\*

## PROFESSIONAL-SERIES

### FULL SYNTHETIC MULTI-VEHICLE ATF

PT#10000	RLO#1085779	UNIT 1 Gal.	CASE SIZE 4/cs	PALLET UNITS 240
PT#11000	RLO#1086053	UNIT 32 oz.	CASE SIZE 6/cs	PALLET UNITS 1008

- Outstanding resistance to oxidative and thermal breakdown
- Exceptional low temperature fluidity
- Excellent anti-wear properties
- Extended fluid life

RED LINE® MULTI-VEHICLE ATF is specially designed and uniquely formulated representing the latest in full synthetic automatic transmission fluid technology.

Suitable for use (SFU) in most North American, European and Asian vehicles containing automatic transmissions, including but not limited to:

Acura  
Audi  
BMW  
Cadillac  
Chevrolet  
Chrysler  
Dodge

GMC  
Ford  
Honda  
Hyundai  
Infinity  
Isuzu  
Jaguar

Jeep  
KIA  
Land Rover  
Lexus  
Lincoln  
Mazda  
Mercedes

Mercury  
Mini  
Mitsubishi  
Maserati  
Nissan  
Pontiac  
Rolls Royce

Saab  
Scion  
Subaru  
Suzuki  
Toyota  
Volkswagen  
Volvo

Use of Red Line Synthetic Multi-Vehicle Automatic Transmission Fluid or Red Line High Performance Automatic Transmission Fluid will increase Platinum or gold coverage by \$1,000 USD.

**WARNING:** This product can expose you to chemicals including 1-Naphthylamine (CASRN 134-32-7) which is known to the State of California to cause cancer. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

# POWER STEERING

## SYNTHETIC POWER STEERING PROTECTANT

PT#14001

RLO#1086094

UNIT 4 oz.

CASE SIZE 12/cs

PALLET UNITS 2772

- Improves Power Steering System Performance
- Eliminates Whines and Noise
- Frees Sticky Turbines and Pumps
- Lubricates and Protects Racks and Pumps
- Eliminates Steering Stiffness
- Extends System and Fluid Life
- Reduces Wear

RED LINE® POWER STEERING PROTECTANT ADDITIVE with advanced synthetic technology protects power steering systems by reducing wear on internal parts and components by up to 40% over regular power steering fluids alone. It eliminates whines and noise in power steering systems. Its advanced synthetic technology conditions seals and O-rings, protects internal components and reduces wear, while ensuring proper drivability.

RED LINE POWER STEERING PROTECTANT ADDITIVE eliminates the need for multiple OEM recommended fluids by converting regular power steering fluid into a universal SLF (Special Lubricating Fluid) to be used in vehicles such as, Honda, Chrysler, Toyota, GM, Ford and others. For Audi and Volkswagen applications follow manufacturers fluid recommendations.

Red Line Service Chemical Limited Lifetime Warranty Program coverage (if used every 5,000 miles)\*  
Red Line Service Chemical Pre-Owned Vehicle Protection Program coverage\*\*

## SYNTHETIC POWER STEERING CLEANER

PT#14002

RLO#1086095

UNIT 4 oz.

CASE SIZE 12/cs

PALLET UNITS 2772

- Safely Removes Deposits and Impurities From Power Steering Systems
- Cleans All Internal Components: Pumps, Turbines, Pistons, Racks etc.
- Contains No Harmful Cleaners or Solvents
- Will Not Harm Seals, O-rings or Hoses

RED LINE® POWER STEERING CLEANING ADDITIVE is uniquely formulated to clean the entire power steering system, (pump, lines & rack) in all types of power steering systems. It removes varnish, dirt and other harmful contaminants that can build up in the system through time and usage.

It safely and effectively cleanses all internal parts and components preparing the system for new power steering fluid. RED LINE POWER STEERING CLEANING ADDITIVE can be used with or without power flushing equipment.

## 2-STEP POWER STEERING SERVICE KIT

PT#14000S

RLO#1086093

UNIT 4oz/4oz

CASE SIZE 6 kits/cs

PALLET UNITS 1080

- Safely Removes Deposits and Impurities From Power Steering Systems
- Cleans All Internal Components: Pumps, Turbines, Pistons, Racks etc.
- Contains No Harmful Cleaners or Solvents
- Will Not Harm Seals, O-rings or Hoses

Red Line Service Chemical Limited Lifetime Warranty Program coverage (if used every 30,000 miles)\*

# POWER STEERING

## POWER STEERING FLUID PLUS

PT#14004	RLO#1085886	UNIT 12 oz.	CASE SIZE 12/cs	PALLET UNITS 1848
PT#14006	RLO#1085889	UNIT 64 oz.	CASE SIZE 4/cs	PALLET UNITS 400

- Outstanding High & Low Temperature Performance
- Excellent Shear Stability
- Helps Prevent Corrosion, Wear, & Oxidation
- Meets or Exceeds OEM Specifications
- For Use in Domestic & Import Vehicles, Including Honda & Acura

RED LINE® POWER STEERING FLUID PLUS with advanced synthetic technology helps maintain efficiency, performance and the condition of power steering units.

Helps prevent leaks, wear, corrosion, and oxidation. Promotes proper operation of power steering systems.

## MULTI-VEHICLE POWER STEERING FLUID

PT#14005	RLO#1085888	UNIT 64 oz.	CASE SIZE 4/cs	PALLET UNITS 400
PT#14009	RLO#1085887	UNIT 12 oz.	CASE SIZE 12/cs	PALLET UNITS 1848

- Advanced Synthetic Formulation
- Provides Superior Performance in Power Steering Systems
- Outstanding High and Low Temperature Performance
- Excellent Shear Stability
- Helps Prevent Corrosion, Wear, and Oxidation

RED LINE® MULTI-VEHICLE POWER STEERING FLUID combines exceptional low temperature fluidity with outstanding shear stability to meet and exceed the most stringent performance requirements of OEMs.

RED LINE MULTI-VEHICLE POWER STEERING FLUID is a specially formulated fluid, to be used in ALL power steering services/exchanges requiring regular power steering fluid or specialty high performance lubricating fluids, such as: CHF+.

Not recommend for top off.

# COOLING SYSTEM

## COOLANT SYSTEM CLEANER

PT#17022 RLO#1086088 UNIT 8 oz. CASE SIZE 12/cs PALLET UNITS 1428

- Helps Remove Rust, Scale, and Sludge
- Prepares Coolant System for new Fluid
- Helps Improve Coolant System Performance and Efficiency
- Protects Water Pumps
- Helps Prevent Damage Due to Corrosion
- Ideal For Exchange Machine Use

Formulated to clean entire fuel coolant system.

## COOLANT SYSTEM TREATMENT

PT#17023 RLO#1086089 UNIT 8 oz. CASE SIZE 12/cs PALLET UNITS 1428

- Protects Cooling System Parts With a Magnetic Film
- Lubricates Water Pump and Thermostat, Stops Squeaks
- Protects Aluminum, Brass, Copper, Iron and Other Metal Parts
- Compatible With All Anti-Freeze, Including Extended Life Coolants

Red Line Service Chemical Pre-Owned Vehicle Protection Program coverage\*

## 2-STEP COOLANT SERVICE KIT

PT#17021K RLO#1086080 UNIT 12oz/12oz CASE SIZE 6 Kits/cs PALLET UNITS 540

### STEP 1 RED LINE® COOLANT SYSTEM CLEANER (PT#17022)

- Safe For All Metal, Aluminum, Rubber and Plastic Parts
- Prepares Coolant System for new Fluid
- Compatible With All Anti-Freeze, Including Extended Life Coolants
- Ideal For Exchange Machine Use

### STEP 2 RED LINE® COOLANT SYSTEM TREATMENT (PT#17023)

- Protects Cooling System Parts With a Magnetic Film
- Lubricates Water Pump and Thermostat, Stops Squeaks
- Protects Aluminum, Brass, Copper, Iron and Other Metal Parts
- Compatible With All Anti-Freeze, Including Extended Life Coolants

Red Line Service Chemical Limited Lifetime Warranty Program coverage (if used every 30,000 miles)\*

# DIFFERENTIAL

## LIMITED SLIP SUPPLEMENT

PT#3500

RLO#1086084

UNIT 4 oz. Pillow Pack

CASE SIZE 12/cs

PALLET UNITS 2160

- Eliminates Noise & Chatter
- Protects Clutch Surfaces
- Reduces Operating Temperatures

RED LINE® LIMITED SLIP SUPPLEMENT is specifically formulated to be added to gear oil in all limited slip differentials requiring either mineral or synthetic gear oils.

Red Line Oil has been trusted in high performance and racing lubricants since 1979 and now our Red Line Service Chemicals Limited Lifetime Warranty offers “piece of mind” vehicle coverage.

## LIFETIME LIMITED WARRANTY

Protection for the life of the vehicle  
Maximum of \$5,000 in coverage on major components\*2

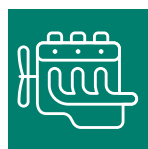

BRAKE FLUID
