

PRE-OWNED SERVICE KIT

PT#UC100

RLO#1086744

UNIT 10oz/4oz /8oz/12oz/11oz

CASE SIZE 6

PALLET UNITS 168

Provide added value and peace of mind protection to your Pre-Owned vehicle inventory.

Kit covers 5 main vehicle systems:

- Automatic Transmission
- Power Steering
- Engine Cooling
- Fuel System
- Engine Lubrication

Preowned kit comes with a 6 month/6,000 warranty* (if professionally installed at the time of vehicle purchase) and provides up to \$2,000 of coverage on a protected system (for vehicles 10 years old or less and 120,000 miles or less).

Helps increase customer retention on routine maintenance visits.

RED LINE[®] SERVICE CHEMICALS

SYNTHETIC ATF SUPPLEMENT

PT#4001 RLO#1085883 UNIT 10 oz. CASE SIZE 12/cs PALLET UNITS 2436

- 4x Less Wear Than Regular ATF
- Prevents and Instantly Eliminates Torque Converter Lock Up Shudder
- Prevents Overheating and Oxidation
- Protects and Coats Gears and Pumps
- Enhances shift quality and durability
- Prevents Clutch Chatter
- Compatible with All Trans Fluids

RED LINE[®] SYNTHETIC ATF SUPPLEMENT is a uniquely blended synthetic product specifically formulated for use in automatic transmissions. RED LINE SYNTHETIC ATF SUPPLEMENT incorporates a high-quality synthetic base stock with SE (synthetic esters) which reduces heat, wear, and extends transmission fluid life. RED LINE SYNTHETIC ATF SUPPLEMENT also incorporates friction modifiers, and boundary lubricants to optimize transmission performance while lowering operating temperatures. Blends with all domestic and worldwide OEM automatic transmission fluids.

SYNTHETIC POWER STEERING PROTECTANT

PT#14001 RLO#1086094 UNIT 4 oz. CASE SIZE 12/cs PALLET UNITS 2772

- Improves Power Steering System Performance
- Eliminates Whines and Noise
- Frees Sticky Turbines and Pumps
- Lubricates and Protects Racks and Pumps
- Eliminates Steering Stiffness
- Extends System and Fluid Life
- Reduces Wear

RED LINE[®] POWER STEERING PROTECTANT ADDITIVE with advanced synthetic technology protects power steering systems by reducing wear on internal parts and components by up to 40% over regular power steering fluids alone. It eliminates whines and noise in power steering systems. Its advanced synthetic technology conditions seals and O'rings, protects internal components and reduces wear, while ensuring proper drivability.

RED LINE POWER STEERING PROTECTANT ADDITIVE eliminates the need for multiple OEM recommended fluids by converting regular power steering fluid into a universal SLF (Special Lubricating Fluid) to be used in vehicles such as, Honda, Chrysler, Toyota, GM, Ford and others. For Audi and Volkswagen applications follow manufacturers fluid recommendations.

COOLANT SYSTEM TREATMENT

PT#17023 RLO#1086089 UNIT 8 oz. CASE SIZE 12/cs PALLET UNITS 1428

- Protects Cooling System Parts With a Magnetic Film
- Lubricates Water Pump and Thermostat, Stops Squeaks
- Protects Aluminum, Brass, Copper, Iron and Other Metal Parts
- Compatible With All Anti-Freeze, Including Extended Life Coolants

FUEL SYSTEM CLEANER

PT#17006 RLO#1086082 UNIT 12 oz. CASE SIZE 12/cs PALLET UNITS 1500

- Completely and effectively cleans the entire fuel system
- Safe for use in all gasoline engines, including GDI, MPFI and Hybrid
- Rapidly cleans and effectively removes gum, varnish and other harmful deposits
- Restores power and helps improve fuel economy
- Helps smooth rough idling and reduce harmful emissions

RED LINE[®] FUEL SYSTEM CLEANER completely and effectively keeps the entire fuel system clean. RED LINE FUEL SYSTEM CLEANER rapidly cleans and effectively removes gum, varnish and other harmful deposits from fuel injectors, carburetors, intake valves, fuel pumps and lines.

RED LINE FUEL SYSTEM CLEANER helps restore power and helps improve fuel economy, rough idling and helps reduce harmful emissions in one easy to use formula. RED LINE FUEL SYSTEM CLEANER provides cleaning and protection of automotive fuel systems. This product is safe for use with all gasoline engines and will not harm catalytic converters or oxygen sensors.

WARNING: This product can expose you to chemicals including Benzene (CASRN 71-43-2) which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

PROFESSIONAL-SERIES

HIGH MILEAGE OIL SUPPLEMENT

PT#17018 RLO#1086081 UNIT 11 oz. CASE SIZE 12/cs PALLET UNITS 2268

- Specifically designed for engines with over 75,000 miles
- Formulated for use in GDI, MPFI and Hybrid engines
- Specially Formulated to Reduce Friction and Wear
- Reduces Oil Consumption
- Conditions engine seals and gaskets
- Compatible with all Motor Oils
- Eliminates the need to stock high mileage oils and in multiple viscosities

RED LINE[®] HIGH MILEAGE OIL SUPPLEMENT enhances conventional, synthetic blend and full synthetic motor oil to perform as high mileage engine oil, by providing the necessary additives critical to a higher mileage engines with over 75,000 miles, helping to extend engine service life while maintaining engine durability. Red Line Professional Series High Mileage Oil Supplement helps restore performance and provides additional protection for higher mileage engines above and beyond motor oil alone.
